5. FAQ Section

- **Section Title:** Store & Purchase FAQ
- **Questions and Answers:**
 - **Q: Are all 4 books published and available now?:** A: Books 1-2 are complete and available in Kindle Unlimited, Audible, paperback, and hardcover. Books 3-4 are available for pre-order (releasing Q2-Q4 2026). No waiting, no cliffhangers—Book 2 concludes a major story arc.
 - **Q: Can I read The Elder Lands free?:** A: Yes! All 4 books are included in Kindle Unlimited. If you're a KU subscriber, read completely free. You can also start a free Audible trial to listen to Book 1.
 - **Q: What's the reading order?:** A: Read in publication order: Book 1 → Book 2 → Book 3 → Book 4. Each book builds on the previous, but Book 1 and Book 2 are each complete story arcs with satisfying closure.

- **Q: Which format is best for me?:** A: Kindle Unlimited: Best for binge readers (lowest friction, free if subscribed). Audible: Best for commuters/exercise (professional narration, Whispersync). Paperback/Hardcover: Best for collectors (maps, character art, system illustrations). Try one format free, then upgrade to another if you want.
- **Q: Is The Elder Lands grimdark? Is there a love interest?:** A: No grimdark. It's serious and unafraid of consequences, but the story is about building something despite the cost—not surviving despair. There is a love interest (the mage), but relationships serve the narrative about leadership and family, not romance tropes.
- **Q: How long is each book?:** A: Each book is ~500 pages (Book 1 audiobook: 12 hours 45 minutes). Most readers finish the entire 4-book series (2,000 pages) in 2-4 weeks of binge reading.
